System Failures and Legal Struggles

My name is Ricky Stebbins. I built this to expose the truth no one recorded. I was abused, ignored, misdiagnosed, and erased by the systems meant to protect me. This archive exists because I refused to be forgotten. It's not for healing. It's not for pity. It's evidence. It's survival. If I disappear, this stays. Every failure, every lie, every silence, I kept the receipts. Now they're all here. Documented. Permanent.

Cover Page: summarizing my goal and what action I expect

To Whom It May Concern,

I am submitting the enclosed affidavit as formal documentation of ongoing systemic misconduct, negligence, and conflicts of interest involving the Hampden County District Attorney's Office, local law enforcement, state oversight agencies, and court-appointed attorneys. This includes a pattern of constitutional violations, denial of medical care, fabricated evidence, intimidation, and obstruction of justice extending from 1994 to the present.

This is not a vague complaint or a simple grievance. It is a demand for immediate accountability across all involved departments and agencies. The facts outlined in the affidavit represent not isolated failures, but a coordinated breakdown in legal and ethical standards. These failures have endangered lives, erased rights, and enabled the ongoing abuse of vulnerable individuals in state care, including disabled adults and survivors of violence.

I am requesting that this affidavit be reviewed and entered into record by all relevant oversight bodies. I further expect a coordinated investigation, not a deferral of responsibility between departments. I will not accept silence, dismissal, or compartmentalization. Every agency receiving this has a duty to act and to respond.

Supporting documentation, contact records, evidence logs, and unedited conversations are maintained in a public archive and will be shared upon request.

Sincerely,
Ricky Stebbins

on Jan 16, 2013 a man named Richard Stabbing was struck by a woman in a SUV hitting him with the side mirror. When I Peter Baker, Security guard at Walmart approached to see if he was ok he told me of a previous injury to his arm. He was first from the car hitting him it made it start acting up again. Also reported everything Mr. Stabbing said to the Police officers.
