System Failures and Legal Struggles

My name is Ricky Stebbins. I built this to expose the truth no one recorded. I was abused, ignored, misdiagnosed, and erased by the systems meant to protect me. This archive exists because I refused to be forgotten. It's not for healing. It's not for pity. It's evidence. It's survival. If I disappear, this stays. Every failure, every lie, every silence, I kept the receipts. Now they're all here. Documented. Permanent.

Complaint 2025: FBI in writing

FBI Civil Rights Complaint Letter – Draft for Ricky Stebbins

Federal Bureau of Investigation – Boston Field Office

Subject: Civil Rights Complaint – Systemic Obstruction, Retaliation, and Evidence Tampering in Massachusetts

To Whom It May Concern,

I am submitting this letter to formally report ongoing civil rights violations, systemic obstruction, and the suppression of evidence by public officials and agencies in the Commonwealth of Massachusetts—including law enforcement, prosecutors, and medical service providers. I previously attempted to raise this with the FBI by phone and was hung up on. Since then, critical parts of my case have been dismissed without accountability, and evidence I requested—including court-ordered body cam footage—has vanished or been covered up.

I am a disabled adult who has reported abuse involving other disabled individuals. Instead of being protected, I was silenced through threats of psychiatric evaluations, denial of mental health care, and

refusal to release key evidence that would have both cleared my name and exposed criminal negligence.

The following incidents are part of this ongoing pattern:

- A Springfield Assistant District Attorney altered evidence in my case. I reported this, and nothing was done.
- The Springfield Police allowed a woman to operate a vehicle without valid insurance and ignored my attempts to report it.
- I was coerced into pleading guilty to charges I had no connection to, based on falsified or suppressed documentation.
- In Worcester County, court-ordered body cam footage was withheld or destroyed after I requested it to prove abuse against another disabled adult.
- When I demanded transparency, I was subjected to a retaliatory mental health evaluation—which I only agreed to if it could be recorded. I was then told it couldn't be recorded and the evaluation was canceled. The court dismissed my case shortly after.
- Court-appointed attorneys acted in coordination with prosecutors to prevent my case from going to trial and stop me from reporting systemic abuse on the record.

All of this has been publicly documented to protect my safety and preserve the truth. You can view the full archive, complaint logs, and supporting documents here: <https://systemfailuresandlegalstruggles.blogspot.com/2025/06/complaint-2025-governors-office.html>

I am asking the FBI to initiate a civil rights investigation into the actions of law enforcement, prosecutors, and state oversight agencies in Massachusetts that have knowingly violated my rights and enabled the abuse and silencing of disabled individuals.

Please confirm receipt of this letter. I am prepared to provide additional documentation and testimony if requested.

Sincerely,
Richard Stebbins
