System Failures and Legal Struggles

My name is Ricky Stebbins. I built this to expose the truth no one recorded. I was abused, ignored, misdiagnosed, and erased by the systems meant to protect me. This archive exists because I refused to be forgotten. It's not for healing. It's not for pity. It's evidence. It's survival. If I disappear, this stays. Every failure, every lie, every silence, I kept the receipts. Now they're all here. Documented. Permanent.

Complaint 2025: National Disabled Rights Network

Copy of the email or message I sent to the National Disabled Rights Network

I'm contacting you because the protection and advocacy system in Massachusetts has failed to protect disabled adults—myself included—and I believe this warrants national attention.

I've submitted formal complaints to the Disability Law Center (DLC), the Massachusetts Division of Insurance, and the U.S. Department of Justice Civil Rights Division. I've documented systemic abuse across multiple institutions: denial of access to mental health care, forced psychiatric evaluations used as retaliation in court, and the cover-up of physical and emotional abuse involving disabled individuals. These failures are not isolated incidents—they reflect a larger pattern of neglect, obstruction, and silencing that extends across healthcare, legal, and oversight systems.

Despite clear documentation and public reporting, state institutions have delayed or ignored action. The DLC may already be involved, but this situation goes beyond state borders. It exposes structural weaknesses in how disability rights are protected nationwide.

I've published everything publicly so the truth can't be buried. You can view my ongoing documentation and legal index here:<https://systemfailuresandlegalstruggles.blogspot.com/2025/06/legal-issues-and-contacts-index.html>

This needs to be addressed federally. If NDRN has the ability to support oversight, elevate this issue to Congress or DOJ, or include it in national reports, I'm asking you to do so. This is not just about me. Others have suffered far worse. I'm one of the few still standing—and still speaking.

Sincerely,
Richard Stebbins
