System Failures and Legal Struggles

My name is Ricky Stebbins. I built this to expose the truth no one recorded. I was abused, ignored, misdiagnosed, and erased by the systems meant to protect me. This archive exists because I refused to be forgotten. It's not for healing. It's not for pity. It's evidence. It's survival. If I disappear, this stays. Every failure, every lie, every silence, I kept the receipts. Now they're all here. Documented. Permanent.

Evidence list sent to DA Gulluni

I sent this evidence list I sent along with documents to support everything to district attorney Gulluni to go along with my conflict of interest affidavit and my victim witness statement. I put copies of everything at the bottom of this so that I wouldn't have to search around or guess when people asked to know what I sent. The affidavit and victim statement are in the links.

- 20. Court Transcripts 5-10-2013- just the relevant pages. rest can be found on google blogger. ada Johnston lies to the court about the receipt being paid for out of drivers own pocket. judge Hadley acts confused and doesn't give me name of insurance company, because he knows it's not on the receipt. claims this is a civil matter. Judge Hadley isn't stupid. He knew exactly what was going on.
